

## EU Declaration of Compliance (DOC)

For materials intended to come into contact with food (EU No. 10/2011)

Company name: **Mid Ocean Brands BV (MOB)**  
 Postal address: **PO BOX 644**  
 Postcode and City: **6710 BP Ede (NL)**  
 Telephone number: **0031 (0)342 426992**  
 E-mail address: **DOC@reclamond.com**

**We declare that DOC issued under our sole responsibility and belongs to the following product:**

|                          |                                                                       |
|--------------------------|-----------------------------------------------------------------------|
| <b>Item number</b>       | MO8314                                                                |
| <b>Description</b>       | Double wall stainless steel insulating vacuum flask. Capacity: 500 ml |
| <b>Country of origin</b> | China                                                                 |
| <b>Batch</b>             | PO 41-XXXXXX                                                          |

**Object of the declaration** (identification of food contact product allowing traceability; it may include a colour image of sufficient clarity where necessary for the identification of the product):

**2, 4, 5, 6, 7, 8, 9 : direct food contact**

**The following substances subject to restrictions and/or specification are used in the above-mentioned product. The materials and raw materials used comply with Regulation (EU) No 10/2011.**

| Part | Chemical Name                                                                                                                                                           | CAS                                                                                                  | EINECS                                                                                               | Percent |

# COMPLIANCE

## **The manufacturer declares that the mentioned product complies with all relevant provisions of**

Regulation (EU) 2023/988 of the European Parliament and of the Council of 10 May 2023 on general product safety

Regulation (EC) No 1935/2004 - Materials and articles intended to come into contact with food\*

Regulation (EU) No 10/2011 - Plastic materials and articles intended to come into contact with food\*

Regulation (EC) No 2023/2006 - GMP for materials and articles intended to come into contact with food\*

\* Inclusive subsequent amendments

## **In conjunction with following harmonized standards**

EN 1186-1:2002; EN 1186-3:2002; EN 1122:2001; EN 13130-1:2004; EN14372:2004

## **Conditions of use:**

- Type(s) of food intended to come into contact with the material:

## **Suitable for hot and cold drinks**

- Time and temperature and storage while in contact with food:

**Time: maximum 2 hours**

**Temperature: 0°C – 70°C (can keep temperature up to 12 hours)**

- Ratio of food contact surface area to volume used: **6dm<sup>2</sup>/l**

## **Substances, which are subject to "DUAL-USE" additives in materials or "PURITY CRITERIA".**

- No dual use additives were used in the manufacture of this product

- There are no substances subject to purity criteria

## **Information about the compliance of substances used are subject to any restriction or specification**

- This product is in compliance with overall and Specific Migration Limits (SML's) standard testing conditions laid down in Regulation (EU) 10/2011. Additional information including test reports can be provided on request.

## **Functional barrier**

There is no function barrier present.
